George,

I am the Bakersfield Division Retail Manager in the Northern California Region (5100), and have recently received your request for information on Woolworth Stores. It appears as though I received this letter by mistake, as neither of the two stores in my division are listed. However I will give you the information on the two that are in the Bakersfield Division.

#985:

- Has 14 col. PM package racks
- Is non-self service
- Is not exclusive
- Has no carton displays

#931:

- Has 3ea: 7 facings high x 11 wide PM package racks.
- Cartons are on a shelf against the wall
- Account doesnot appear to be PM exclusive.

Hope this is of some help to you.
